Ten Reasons to Say Thank You

Ten. That's how many lives you've touched so far this year, and it's still only April! HSLC's third and fourth quarter Major Mission collections last year (Charity Gift Cards and NIPSCO Gift of Energy) have made it possible for us to help those who call the church office or walk through our doors in need. Your generosity alone funds these missions, and is the reason that we're able to offer this help. As the one who fields the phone calls, I know firsthand that many people ask for assistance with rent or hotel bills, but those needs fall beyond our financial capacity. In those cases, I always refer them to the St. John Township, which has access to grants and state and federal resources. But for those needing just a little help with gas, groceries, or a NIPSCO bill, your gifts had made a real difference. Every single recipient has been deeply grateful. We couldn't do this good work without you! --Laura Aharrah

Amazing Response to Our March Collection of the Month!

Thank you to all who donated items for our Household and Hygiene collection! All told, we collected 371 items! This included 181 toothbrushes, and 75 bars of soap!

The St John township is so grateful for these things which are rarely donated and cannot be purchased with SNAP benefits. Thank you again for your generous giving!
